

Collective Worship

We hold a daily act of Collective Worship for all children (except those whose parents exercise the right of withdrawal). Our Collective Worship is mainly of a broadly Christian nature, reflecting the traditions of Christian belief but it is non-denominational.

Our broad aims are:

- to develop a sense of fellowship by bringing pupils together to celebrate the shared values of the school and the community here at school
- to introduce pupils to various aspects of religious worship
- to foster a sense of wonder, awe and beauty, mystery and power of the world
- to foster a concern for others; for the need and value of others
- to allow time for silent reflection, contemplation and prayer
- to celebrate successes and special occasions (individual and school)
- to allow expression of feelings such as delight, wonder, joy, rejoicing in the good, sorrow and anger.
- to foster new insights into life and to provide opportunities for pupils to share what is meaningful and significant to them.

The act of worship should be a personal, positive, response from pupils which should be individual and voluntary.
