Seek not the dead on behalf of the living. For your hope is in Me. I am the God of the living. I can and I will grant all the desires of your heart. I am the God that healeth thee.

Blessing, honor and glory is the desire of My heart for you. If you are called to walk a new path, know that I still walk before you.

I have pre-determined a walk of prosperity and wealth. This has been determined upon you and you will be My witnesses to the goodness of the one true God.

This year will be one of supernatural outpouring. Breakthrough and entanglement is in your near future. What you lay your hand to is pre-determined to be a success.

Praise Me for what you are about to experience. For the path to success is paved with anointed praise.
