

This is a time for renewal: a call to fight the good fight.

I am going to empower and renew you in the strength of My Divine Power.

Call things into existence before you have them. The enemy will try, but he cannot overpower you.

You will rise above the hordes and they will flee at your presence.

I have invested My very presence into you and no enemy can defeat or harm you. I will supply all your needs.

Dr. Gary Phillips
