

OUTREACHES WE HAVE SUPPORTED AND CONTINUE TO SUPPORT

Food Pantry

Everyone is welcome to our food pantry the 3rd Sunday of every month! We believe food is a way to show God's love. For the elderly and disabled, a good meal can be just what it takes to make life seem worth living. Children become all smiles as they get enough to eat at last. Parents are relieved. Each year, people experience the love of Christ through this outreach alone. It is truly life-changing!

Sidewalk Talk

Life is precarious for people in poverty. The tiniest set back can be the tipping point to homelessness. One illness. A car breakdown. Anything that could lead to a lost job or falling behind in the rent. We work to give people access to Mobile Medical Clinics, clothing and other interventions that can help people stay in housing and keep their families together. We also host discipleship classes that will allow individuals and families to grow spiritually stronger. Our hope is to help take individuals and families from a state of poverty to self sufficiency.

The first and third Thursday of every month. 6:30-8:00pm.

We meet at Winton Hills Academy at 6:30pm (5300 Winneste Ave Cincinnati, OH 45232)

City Transformations

In everything we do, we work to follow God's call to care for the poor. By being open to His leading, many innovative outreaches have evolved that are touching thousands of lives. We have a vision for a restored city, made up of countless lives impacted by the grace of Christ. Through our City Transformation events we work to meet the unique needs of our community, and the people who live here. Our vision to reach this city is by raising up one community at a time.

August 13th and November 19th at Winton Hills Academy (5300 Winneste Ave Cincinnati, OH 45232)

Homeless Ministry - Downtown & Price Hill

More than 25,000 men, women and children in Cincinnati, Ohio have no place to call home. More and more, the face of homelessness includes families, seniors and veterans. Nationwide, as many as 1 in 4 homeless people once served our country in the military. And 1 in 45 children are homeless, the most ever in U.S. recorded history. The good news is . . . homelessness isn't hopeless.

The world may have given up on the homeless people we are working to reach, but God hasn't! And we don't give up either. Through our monthly street outreach, lives are transforming. Many we reach out to are finding a path to a new productive life serving Jesus.

**Takes place the 2nd and 4th Wednesday of each month. 5:15p-7:30pm
Meet at 5:15pm at 3436 Warsaw Ave Cincinnati, OH 45205.**

Operation Christmas Child

What goes in the box is fun but what comes out is eternal. Every gift-filled shoebox is a powerful tool for evangelism and discipleship-transforming the lives of children and their families around the world through the Good News of Jesus Christ! Every October CityGate prepares 200 shoeboxes filled with toys to be sent overseas to less fortunate children.

Habitat for Humanity

We build because we believe that everyone, everywhere, should have a healthy, affordable place to call home. We build communities, we build hope and we build the opportunity for families to help themselves. We will do 2-3 projects a year. Days and time may vary. We build because we believe that everyone, everywhere, should have a healthy, affordable place to call home. We build communities, we build hope and we build the opportunity for families to help themselves.

**Join us as we help build long lasting safe homes for those in need.
June and September (exact dates and times to be determined)**

Mission Trips

Open Arms (Jyothi's Home for Children) India

In southern India, children of the street can look forward to an unceasing search for food, begging, and stealing from street vendors, forced labor, and unspeakable abuse amid the disease-ridden masses. A local Church of God pastor with passion to help this impoverished region worked to establish Open Arms (Jyothi's Home for Children), which now cares for some 450 of these hurting and homeless children. UNICEF reports over 25 million orphans and 5,000 children die every day in India due to preventable causes. And, the World Health Organization states that 49 percent of the world's underweight children, 34 percent of stunted children, and 46

percent of wasted children live in India.

L.A Dream Center

The Dream Center is a volunteer-driven organization that finds and fills the needs of over 80,000 individuals and families each month. They do this through mobile hunger relief and medical programs, residential rehabilitation programs adults, a shelter for victims of human trafficking, transitional housing for homeless families, foster care intervention programs, job skills training, life skills, counseling, basic education, Bible studies and more. We work to meet people where they are at, to bring them hope and a way off the streets.

A21 Campaign

Human trafficking fuels the growth of organized crime, undermining health, safety, security, and the basic needs of humanity. It is the fastest growing crime in the world. Join CityGate in the efforts to bring awareness and stop Human Trafficking by financially donating to this cause. Your contribution goes to help rescue, restore and rebuild the lives of victims of human trafficking and bring awareness to those most at risk.

Pink Ribbon Ladies

They exist to balance the fear and uncertainty that breast and other women's reproductive cancers bring to individuals and families by providing free direct services, education, and support. Pink Ribbon Ladies are looking to grow the PRG family so that "No one travels this road alone." Build connections with the PRG family and communities by setting standards of efficiency and accountability. At CityGate we believe we are Stronger Together and that no one should do life alone! That's why we believe so strongly in supporting the Pink Ribbon Ladies and spreading awareness.

Kibera Kids Center

we financially give to this non profit 1x a year (serves 200 children in this center)

The beautiful **Kibera Kids Center (KKC)/ Life Springs Academy** sits as an oasis adjacent to the massive slum of Kibera in Nairobi, Kenya. Kibera is a constantly evolving ministry meeting the needs of children in and around the slums. It features multiple buildings and ministries reaching several hundred children each day. The center primarily functions as an onsite educational facility for children in the area who may not be able to receive any education. The residents are boarded and clothed by the learning center. Orphans receive a scholarship to cover their place at the school. A new dorm is being built to house preschool and young children from the slums. The ministry has a solid academic, child development and spiritual development program. The children attend the onsite chapel. New intake and pre-school facilities are being constructed to continue ministering to the children who are in a "survival mode." Providing them love, life necessities, a good education, and a strong spiritual life, we want to make a difference. KKC is reaching them in whatever way they are left uncared for. We have them all, from the displaced to the abandoned, from those left behind by death, to those whose last living parent is on the deathbed and unable to do anything—KKC is there!

Congo Compassion Hospital

Located in Brussels Belgium, They just finished building the four wings of the Hospital for Maternity, Pediatric, Surgery and Internal Medicine. They have the beds for all the

four wings of the Hospital and they have all the medical equipment. This 50 bed hospital will help those that can't afford healthcare to get the treatment they need.
