

Dear Parents,

The end of the year shows are a celebration of the hard work of all the CSA students throughout the year. Thank you for trusting us with your students' arts education in 2016-17. In order for this busy and crazy week of rehearsals, photo shoots and shows to be a success, there are some very important instructions you must understand. Please read the following instructions and sign that you agree to follow them. Every student who plans to participate in iDance, iPerform, or iCreate must turn in a signed form. Each family will also receive a pass to the Final Dress Rehearsal when they turn in their completed form. All forms must be turned into the Front Desk or Main Office by June 1st.

Thank you,
CSA Staff

- In order to participate in the end of the year shows, students must attend ALL technical and dress rehearsals during show week. Students are also expected to participate in all performances. **NO EXCEPTIONS!**
- All account must also be paid in full by June 1st in order to participate in the performances.
- Parents are not allowed backstage at ANY TIME. Parents must stay in the back hallway or dressing room areas. Parents please be courteous of the dressing room spaces as students will be undressing. Please allow students to have a sense of privacy.
- Parents must sign in all students under the age of 13 during the final dress rehearsals and show performances.
- Parents can ONLY pick up students from the dressing rooms during intermission and the end of the show. Students must be signed out by the parent that signed them in. There will be **NO EXCEPTIONS** to this rule. CSA will provide adequate supervision for all students backstage during the performances.
- Students who want to watch the show after intermission, must have a ticket to the show.
- Under no circumstance is anyone who is not CSA staff or volunteers to use the doors that go onto the stage. It is disruptive and more importantly very unsafe for our performers for those doors to be used. Parents must use the main front doors to the auditorium and doors at dressing room entrance **ONLY**.
- We ask that those in the audience during the shows remain seated unless there is an emergency. If necessary to leave the auditorium you use only the back door, and do not use the side doors for ANY reason as it is very distracting to those enjoying the shows.
- Students are expected to treat the auditorium and dressing room space in a responsible and professional manner. Students are absolutely not to touch anything that does not belong to them including any stage equipment. No food or drinks are allowed in the dressing room areas and must be kept in the back hallway. Please clean up all messes in the dressing rooms!

By signing I agree to follow the expectations listed for participation in the CSA iDance and iPerform Shows.
