To Whom It May Concern:

As President and CEO of the Southern Christian Leadership Conference (SCLC), I am pleased to write this letter of recommendation on behalf of Dub Taylor. My family has had the pleasure of knowing him and his family for a number of years.

I have Dub for the past 20 years. He worked tirelessly for me while I was a State Senator and President of the SCLC State of Alabama and he continues to work with me while I serve as national President and CEO of SCLC. I have always known Dub to be a person of integrity. Dub is well traveled and been privileged to travel nationally and internationally for business development purposes. Dub currently serves as a consultant to the SCLC National Poor People's Campaign.

I am pleased to have known Dub and continue to work with him. He is an asset to any company or person looking to develop their business nationally and internationally.

Respectfully,

Charles Steele, Jr.
President and CEO, SCLC
