

## SEARCH ENGINE MARKETING

Google AdWords is a pay-per-click advertising program by Google which allows you to promote your products & services in the premium slots of Google search engine.

- Drive leads from local searches on web and mobile
- Stand out from your competitors
- Expand your reach to the internet market

### IN-DEPTH LOCAL MARKETING EXPERTISE

With years of experience operating in ASEAN countries, PanPages is familiar with local market consumer behaviour. We create high performing marketing campaigns with the support of latest Google technology and continuously update and improve them.

### ADWORDS CERTIFIED CAMPAIGN MANAGEMENT

From setup to optimization, PanPages provides full service management that can help you maximize your campaign's ROI. All our campaign managers are AdWords Certified and trained by dedicated Google Partner managers.

### MARKETING GUIDANCE AND SUPPORT

We actively manage your marketing programs, taking the guesswork out of campaign development and letting you focus on running your business.

### CLIENT SUCCESS SPECIALIST

PanPages client success team is available to help with email and phone support when you have questions or simply want to better understand your campaign results.

### DETAILED REPORTING

Detailed performance data regularly delivers key insights into how your AdWords campaigns are performing.
