

This 24-Hour SafeRoute Roadside Assistance Program (the "Program") is complimentary benefit from this Confidence Plus Certified Service Center ("CSC"). Your Program benefit begins on the date identified on your invoice from the participating authorized service facility and continues for 365 days from the date of your invoice ("Coverage Period"). All services provided through the Program are described below:

Covered Vehicle: Coverage is specific to the vehicle identified on the invoice (the "Covered Vehicle") and will be provided to the vehicle owner, spouse and/or dependent children when driving the Covered Vehicle. Requests for roadside assistance will only be honored for Covered Vehicles under the Program.

Covered Vehicles exclude: Vehicles with a manufacturer's load rating capacity greater than one ton. Any vehicle with a load capacity of one ton or greater designed for, built for or used in a private recreational or commercial application including but not limited to Class A (or Type A) Motor Homes and Class C (or Type C) Motor Homes. Any motorcycles. Any emergency service vehicle, any vehicle used for hire, towing, construction or postal service. Any vehicle used for farm, ranch, agriculture, or off-road use (off-road use is described as driving on anything that is not a paved or gravel road maintained by the state or local authority).

Roadside Assistance: If you are in need of roadside assistance, call the 24-Hour SafeRoute Roadside Assistance Program toll-free number, 1-855-246-6001.

Benefit Limit: The Program benefit is limited to the reimbursement of three (3) roadside assistance incidents for any covered services per Coverage Period per Covered Vehicle, up to a maximum eligible reimbursement amount of seventy-five (\$75.00) dollars per disablement (the "Benefit Limit"). The total maximum reimbursement during any Coverage Period will under no circumstances exceed two hundred twenty-five (\$225.00) dollars per Covered Vehicle.

This is a reimbursement program; however, only roadside assistance services arranged through and provided by the Program are eligible for reimbursement. The roadside assistance service provider (the "Service Provider") requires use of a credit card to arrange for dispatch. You will be reimbursed for covered services up to the Benefit Limit upon our receipt of your complete request for reimbursement.

Covered Services:

1. Towing - When towing is necessary, the disabled Covered Vehicle will be towed to the nearest qualified repair facility or to the repair facility of your choice.
2. Lock-Out Assistance - Assistance will be provided in unlocking the Covered Vehicle in the event the keys are lost or locked inside.
3. Flat Tire Assistance - If the Covered Vehicle's spare tire is serviceable, it will be installed to replace the flat tire. If the disabled Covered Vehicle has no serviceable spare, or if it has two or more flat tires, the vehicle will be towed.
4. Fuel, Oil, Fluid and Water Delivery Service - An emergency supply of gasoline (where permitted), oil, fluid and water will be delivered to any Covered Vehicle in immediate need. The customer must pay for the costs of the actual fluids delivered.

Service Limits & Requirements: Service is limited to the Covered Vehicle and will be provided to the vehicle owner, spouse and/or dependent children when driving the Covered Vehicle. The Benefit Limit applies to all Covered Services.

Program coverage includes, per Covered Vehicle, up to three (3) reimbursable roadside assistance incidents per Coverage Period.

The Program is intended to cover emergencies and is not intended to be a substitute for proper vehicle maintenance or repair.

The driver of the Covered Vehicle must be with the Covered Vehicle when the Service Provider arrives, as roadside assistance cannot be provided to an unattended vehicle. If the driver is not with the Covered Vehicle, you may be charged for an associated fee by the Service Provider that is not covered or reimbursable under the terms of this Program.

Reimbursement Procedures: You must contact the Program directly by calling 1-855-246-6001 to obtain service for the Covered Vehicle. In the event that you contact the Program for a Covered Service and dispatch assistance is provided for your disablement, you will be reimbursed for any payments made by you for Covered Services up to the specified Benefit Limit. Otherwise, service secured through any source other than the Program will not be reimbursed.

To file a request for reimbursement, you must submit the following information within sixty (60) days of the disablement:
