

# **BONDING**

## **TIMES / QUALIFIED BONDSMEN**

Bond Hearings are held twice daily by both Magistrate (county) and Municipal (city) Court Judges. Bond Hearings are held once in the morning, and once in the afternoon at the discretion of the Bonding Judge. The Detention Division does not determine when Bonds will be set. A list of qualified bondsman is posted in Booking and in each housing unit. The public can request a copy of the list at the Detention Division reception window located at the Law Enforcement Center, or you can click on the link located on the Chester County Sheriff's Office homepage.
