

CONNECT

BY CONDECO

MEETING ROOM TOUCH SCREENS

Connect is a cloud-based meeting room screen, that gives teams greater control of their meetings. Seamlessly integrating with Microsoft Exchange and Google Calendar* across multiple devices, Connect simplifies the working day and enhances the user experience.

Because Connect needs no extra software or complex installation, you can easily move and scale it, to meet the demands of your growing business.

Modern hardware design

Display meeting information and make bookings on a beautiful 10.1" touch screen, with highly visible LED status lights.

RFID card reader

Built in RFID card reader enables quick and simple booking identification and check-in.

Mobile room booking

Our mobile room app helps you to find free rooms close to your current location using Beacon technology.

KEY FEATURES

Plug 'n' Play

Easy to set up, you can put Connect to work, right out of the box.

Seamless integration

Connect supports your existing MS Exchange or Google Calendar* scheduling software.

Better reporting

Our cloud-based reporting gives you all the insight you need to make better decisions about your workspace.

RFID room check-in

RFID card check-in and auto room bump features give you more space to choose from.

Flexible pricing options

With subscription options to suit your needs, Connect scales from entry to enterprise.

Support on-demand

Every screen includes on-demand 24/7 support from Condeco experts.

Connect is a cloud-enabled digital screen. Sitting elegantly outside your meeting room, Connect enables you to schedule meetings and find the perfect space for your needs. Seamlessly integrating with Microsoft Exchange and Google Calendar* Connect simplifies the working day and creates a better meeting experience for everyone.
