## Graphic Designer

### About Me

I am a positive, collaborative and detail oriented designer based in Berlin. I like to create exciting visual stories and brand experiences. My biggest inspiration is my ability for constant observation. I find it an infinite source of unexpected stories.

### Experience

# February 2019 - Present

**Graphic Designer, MedAngel (Berlin)**

I am creating visual assets and create social media strategies along with developing the brand identity and design interfaces.

# Apr-Oct 2018

**Visual Designer, Werkstudent, Pantaflix AG (Berlin)**

Created the visual design assets for content marketing, google Ads, social media posts, landing pages and banners. I also worked on the corporate identity and the brand positioning.

# Oct-Dec 2017

**Design Intern, Büro Hallo (Dessau-Roßlau)**

I worked on video editing and basic motion graphics projects. I designed wireframes and mockups for the company website.

# May-Aug 2015

**Set Design Intern, Cobalto Studio (Barcelona)**

My main tasks were to assist the art department during the photo and video shootings, follow brand guidelines, come up with design concepts and design templates for presentations.
