

From Proactive Managed IT Services & Cloud Computing, to Printer Toner & Computer Repair, we're here to help you keep your business running as efficiently as possible.

- ✓ **UnlimiTed Support Services** – 24/7 managed IT services will minimize your technology problems at a fixed monthly rate
- ✓ **On-Demand IT Services** – We'll fix your technology problems at our hourly rate
- ✓ **Network Infrastructure** – From deployment to administration, we'll keep your computer network efficient and secure
- ✓ **Cloud Computing** – With cloud computing products, we can lower your energy costs and make work something you do, not somewhere you have to be
- ✓ **Business Continuity** – Network backups and database recovery will keep your company from losing profits due to network failure
- ✓ **Mobile BI** – Access your business data while on the go with smartphone and tablet device integration
- ✓ **Business Software** – We specialize in Manufacturing ERP Systems and Business Software Solutions.
- ✓ **Printer Services** – We'll keep your printers, copiers & fax machines running with regular maintenance & repairs.
- ✓ **Ink & Toner Supplies** – Order your ink and toner from us & get free delivery in the Toledo area
- ✓ **Computer Hardware** – We've partnered with top manufacturers, like Dell and HP, plus national parts distributors, to remove the hassles of dealing with vendors and configurations, while offering competitive prices.

Plan IT | Run IT | Protect IT | Fix IT
