OVTRF GOLF TOURNAMENT CAMELOT GOLF & COUNTRY CLUB MONDAY, OCTOBER 7, 2019

It is nearing the time for a down shift of gears to spend more time with colleagues, family and friends. Each year around this time we send out the notice for the annual turf research event, our OVTRF golf tournament. You may recall last year's event was revitalized and some new features were added to this fall tournament. Look forward to some more features as this event will be held at Camelot Golf & Country Club.

A bit about Camelot

Top-Rated Golf Course in Eastern Ontario

Complemented by towering pines, majestic views of the Ottawa River and the Gatineau Hills, Camelot truly is a great test of golf. Camelot has earned a reputation as one of Canada's top courses. Most recently Camelot has been ranked in the Top 100 by both SCOREGolf (2016 & 2018), and Canadian Golfer Magazine (2018 Reader Poll). Similarly Camelot was voted Club of the Year by the Canadian Society of Club Managers in 2018! Camelot Golf & Country Club is consistently one of the best conditioned courses in the region with bent grass greens, fairways and tees surrounded by immaculately kept bluegrass and even longer fescue and native grasses. Camelot's golf course was designed by the renowned Canadian golf course architect, Thomas McBroom, and has hosted major golf championships including the Canadian Men's Amateur (2012), Golf Canada's Canadian Junior Girls Championship (2017) and most recently the 2018 World Junior Girls Championship!

Course Superintendent Chris Chapman has been with Camelot since 2006, and is in his 4th season in the lead role. Supported by two Assistant Superintendents Ryan Woodworth and Kim Best, the team works extremely hard to provide top notch conditions, but also takes their role seriously as stewards of the land. Whether through efforts to support wildlife habitats, contributions to 100% club made maple syrup & honey programs, or chemical reduction strategies, Chris is on the forefront of ideas to improve not only the golf course, but the club's property and community image.

The entire Camelot team looks forward to hosting you at this year's OVTRF event!
