

The Meadows
Golf & Country Club

Mechanic

Job Description

The Meadows Golf & Country Club is a 36-hole, exclusively public, golf facility located in Ottawa's South-East end. We have an immediate opening for the position of Mechanic. Duties will include repairs to golf course maintenance fleet equipment – tractors, carts, mowers, seeders, spreaders, sprayers, vehicles, etc...

The position requires the ability to make quick analysis of problems and take necessary steps to fix. Also important to the position is the ability to set up a preventative maintenance schedule to minimize foreseeable problems and manage equipment downtime.

This is a full time, year-round job in a fast pace environment. The position reports to the Superintendent.

Experience

This position requires working knowledge and expertise on a variety of equipment including:

- 2 stroke engines
- 4 stroke engines
- Diesel engines
- Hydraulics
- Bearings, bushings, suspension
- Electrical systems, and wiring
- Experience with mowers, reels and golf course equipment is an asset

Compensation Package

Remuneration will be based on experience.

Contact info

Interested candidates can email their resume to the attention of Neil Smith, Superintendent, before February 28, 2019.
