To whom it may concern...

It is my pleasure to recommend Nicki Paris. I have worked with Nicki for over one year. We worked collaboratively with Certified Nursing Assistant classes. Nicki is a highly professional individual. She is very pleasant to work with and is always available to answer any questions or concerns that I may have had.

Individuals that I have sent to attend the C.N.A. classes have expressed the same. I am impressed with how organized she is as well. She runs the daily operations of Staffing Partners as well as for Paramount Health Group and still finds the time to trouble shoot.

I know that with her skill set, Nicki will be an asset to your organization. If you should have any questions or concerns, please feel free to contact me at (414)231-4134 or email with the info provided below.

Sincerely,
