Activity templates

These are just some of the activity templates you can choose to put your lesson into.

Speedup

It's a race with each right answer moving you ahead!

Label Reveal

Identify each part of the diagram and remove the label to see if you're right.

Shout it Out!

Add words or images from your mobile device, laptop or desktop computer.

Super Sort

Sort everything into groups: nouns and verbs, mammals and reptiles or anything else.

Fill in the Blanks

Drag and drop to fill in missing words, phrases or numbers.

Match 'em Up!

Why draw lines when you can drag items across the display to match them?

Themes

Themes are paired with activities to keep your lessons feeling brand new. Each theme has different graphics, animations and some even have sounds to keep your students engaged.

Bee

Help the bees make more honey, discover their pollen pals or find their way home.

Knight and Dragon

Don't get burned in this epic battle to tame the dragon.

Rockstars

Watch the crowd go wild every time you get a right answer.

Monsters

You'll love seeing these critters cheer you on.
