

The Town of Scriba is now offering a free water/sewer e-Billing option to customers with water/sewer billing accounts. With this service customers can opt out of receiving a postcard bill through the mail and instead elect to receive a water/sewer bill notification via e-mail. We also allow the option to receive both e-bills along with the standard postcard bill.

To get started, simply fill out and return the authorization form on the second page or email scribawaterbillingclerk@gmail.com with your full name(s), address(s) and account number(s). Customers may sign up more than one water/sewer billing account for e-Billing.

With E-Billing, customers will continue to pay by Cash or Check in person, but also have the option to pay online with a credit/debit card or e-check. Fees do apply to use the online credit/debit card and e-check options.

If you ever decide to stop the E-Billing Notification service, simply e-mail your request to:
scribawaterbillingclerk@gmail.com or contact the Town's Water Department at 315.342.6342

PLEASE NOTE:

If you change your email address, you will be responsible for contacting the The Town of Scriba Water Department with your new information. Non-receipt of your e-bill is not justification for late payment and penalties will apply.
